## RESTORE MEDICAL PARTNERS ADDS RHEUMATOLOGY SERVICES FOR VENICE COMMUNITY

*Restore is excited to welcome Rheumatology care to portfolio of medical services.*

Venice, FL, July 22, 2021– Restore Medical Partners has welcomed David Greenfield, MD, FACR to our Care Team. Dr. Greenfield has been practicing Rheumatology in the Venice community for over 30 years.

"I am very excited to join the Restore team" says Dr. Greenfield. "They have welcomed me right from the beginning. Together, I believe we can build a comprehensive group vision that will serve the South County community and provide high quality care."

Dr. Greenfield has special interest in osteoporosis, inflammatory rheumatologic diseases (rheumatoid arthritis, psoriatic arthritis, ankylosing spondylitis, gout, and systemic lupus), and vasculitis (polymyalgia rheumatica and giant cell arteritis). He also treats osteoarthritis, bursitis, and tendinitis. In 1986, Dr. Greenfield was Board Certified in Rheumatology and also became a Founding Fellow of the American College of Rheumatology.

"At Restore, it is our goal as a practice to meet the needs of our community. We feel that the addition of Rheumatology care and Dr. Greenfield will further help us in achieving that goal," says Lindsey Job, MD, Chief Executive Officer of Restore Medical Partners.

Dr. Lindsey Job first made an impact in the community in 2016 when she opened Restore Medical Partners, offering Interventional Pain Management services. Restore Medical Partners will celebrate its 5 year anniversary serving the Venice community in September 2021; now offering Interventional Pain Management, Podiatry, Physical Therapy, Diagnostic Imaging and Rheumatology. At Restore Medical Partners, our vision is to inspire hope and restoration for all through quality patient care.
