

To my valued patients,

I am excited to announce that I will be joining Restore Medical Partners on April 3<sup>rd</sup>, 2023! Restore Medical Partners is an award winning, multidisciplinary practice that currently offers interventional pain management, rheumatology, podiatry, physical therapy, and imaging services.

My office will be located in a building called the Tandem Center, directly off US Highway 41 on Venice Island between Milan Avenue and Indian Ave, (directly in front of Venice High School). My new neurology department will be located on the ground floor, unit 183, at the back of the building. To minimize the walk to the office, please look for a large window sign labeled “Restore Medical Partners: Neurology” and park close to unit 183 for your convenience. If possible, I recommend a “trial run” drive to the new office so that you are aware of the new location prior to your first visit.

On page 2 of this letter, I am attaching directions to my new location from Lakewood Ranch/ Sarasota and North Port. If you have any trouble finding my new office, please contact Restore Medical Partners' main phone number: (941) 375-3006.

Of note, for any other questions or concerns related to your medical care, or to make changes to your next appointment, I will continue to use my existing main phone number at (941) 373-1971.

To learn more about our growing practice at Restore, please visit our website at: [www.restoremedicalpartners.com](http://www.restoremedicalpartners.com)

I look forward to welcoming you at your next visit!

Sincerely,

Patrick J. Madden, M.D.

# DIRECTIONS.....
